

## Fuel Management for Aviators

A 2-hour mini-course intended to raise awareness on the importance and practice of good fuel management. Topics: Fuel Planning, Aviation Fuels, Fueling and Mis-fueling, En-route Fuel Management. Please contact Colorado Flight Center for more information. (970)254-0444 or [info@coloradoflightcenter.com](mailto:info@coloradoflightcenter.com)

**Directions:** From Horizon drive follow signs to General Aviation East and West Star Aviation FBO. Park in the West Star Aviation customer parking. The Colorado Flight Center office is in the top floor of the 800 hangar directly to the west of the main FBO entrance to West Star.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
